

## SMART LOTIS 82 LED GE

Smart lotis est le luminaire le plus connu de la famille Smart. Le cône profondément encastré qui abrite la source lumineuse a inspiré les designers pour créer un spot très polyvalent pouvant être associé à de multiples accessoires. Le style de cette famille s'appuie sur nos designs les plus populaires. Cela signifie concrètement que les luminaires se composent d'un module (LED ou halogène), qui peut être combiné avec un des trois encadrements pour répondre à vos besoins. Les nouveaux spots peuvent être associés à Smart mask, Smart surface box ou Smart surface tubed pour obtenir la solution idéale pour chaque intérieur. Choisissez une finition blanche, noire ou dorée. Également disponible en différentes tailles, en version fixe et ajustable, en version IP...
