**Socket outlet with earthing pin Installation position variable in 45° steps, with enhanced touch protection, Serie 1930/Glas, black glossy**

- Socket outlet with earthing pin
- Installation position variable in 45° steps
- enhanced contact protection
- Serie 1930/Glas
- black glossy
- 2pole + earth
- with plug-in terminals
- Installation position variable in 45° steps
- with enhanced touch protection

Technische Merkmale

Rated voltage	250 V AC
Rated current	16 A
Enhanced contact protection (child protection)	according to IEC 60884-1
Connection terminals	according to IEC 60884-1
